PROFESSIONAL SUMMARY

Third-year B.Tech student in Computer Science Engineering (AI & Data Science) at SRKREC, Bhimavaram, with a CGPA of 8.97. Experienced in Python, SQL, machine learning, data analysis, and web development. Built and deployed end-to-end projects, including an AI-powered peer learning platform that won the UDBHAV 2K26 National Level Hackathon. Passionate about applying data science to real-world problems and seeking an internship to contribute meaningfully to impactful teams.

EDUCATION

B.Tech in Computer Science Engineering (AI & Data Science) <i>SRKREC, Bhimavaram, Andhra Pradesh</i>	2024 – 2028 CGPA: 8.97(4th Sem)
Higher Secondary Certificate (CBSE) – PCM <i>Jawahar Navodaya Vidyalaya (JNV)</i>	2022 – 2024 88.88%
Secondary School Certificate (CBSE) <i>Jawahar Navodaya Vidyalaya (JNV)</i>	2021 – 2022 80.00%

PROJECTS

StudySphere – AI-Powered Peer Learning Platform:

[GitHub](#) | [StudySphere](#)

Technologies: Python, JavaScript, HTML, CSS, LLM APIs, Firebase, Vercel

- Won UDBHAV 2K26 National Level Hackathon (1st Place) for this project among 60+ teams
- Designed an AI-based skill-matching algorithm to pair students with complementary strengths and learning gaps
- Integrated LLM APIs to auto-generate personalised quizzes for dynamic skill validation and expertise scoring
- Built structured peer collaboration features enabling real-time knowledge sharing and problem-solving sessions
- Deployed full-stack application on Vercel with a responsive frontend for seamless cross-device access

Heart Disease Prediction using Machine Learning:

[GitHub](#) | [CardioScan](#)

Technologies: Python, Scikit-learn, Pandas, FastAPI, HTML, CSS, Vercel, Render

- Engineered** an end-to-end predictive pipeline using a Logistic Regression model and achieved 84.6% accuracy.
- Developed and deployed** a high-performance **FastAPI REST API** on Render integrated with a Vercel frontend, handling asynchronous inference requests and structured input validation via Pydantic schemas.

All India Villages API & Explorer:

[GitHub](#)

Technologies: Python, PostgreSQL (NeonDB), FastAPI, Pandas, JavaScript

- Cleaned and integrated multiple datasets using Pandas, handled 460,000+ village records with hierarchical geographic structure
- Modelled a normalised relational schema in PostgreSQL for fast querying across state, district, taluk, and village levels
- Exposed data via a FastAPI REST API with search, filter, and pagination endpoints; built an interactive JS-based explorer UI

SKILLS

- Languages:** Python, Java, C, SQL
- ML & Data Science:** NumPy, Pandas, Scikit-learn, NLTK, Feature Engineering
- Visualisation Tools:** Matplotlib, Seaborn, Power BI
- Databases:** Oracle SQL, PostgreSQL, SQLite, SQL
- Data & Analytics:** Data Cleaning, Data Preprocessing, Exploratory Data Analysis (EDA), Data Visualisation
- Core Computer Science:** Data Structures & Algorithms, DBMS, Object-Oriented Programming
- Development Tools & Platforms:** Git and GitHub, VS Code, Jupyter Notebook, Vercel, Render, LLM APIs
- Soft Skills:** Problem Solving, Analytical Thinking, Communication, Team Collaboration, Presentation Skills

ACHIEVEMENTS

- Winner – UDBHAV 2K26 National Level Hackathon**, conducted by CSI Chapter (March 2026)
- 1st Prize – Elocution Competition on “Women Empowerment”**, conducted by ISTE

CODING PLATFORM

- LeetCode:** Built a solid foundation in algorithms and data structures by solving **100+ problems**.
- Unstop:** Multiple Weekly Coding Challenge winner with consistent top rankings in competitive programming rounds

CERTIFICATIONS

- Cisco Certified in Python (Intermediate)**, validating proficiency in programming fundamentals **and problem-solving**.
- SQL (Intermediate) – HackerRank:** Skilled in querying databases, joins, aggregations, and data manipulation.
- Certificates in **Unstop Weekly Coding Challenges**, reflecting consistent performance in competitive programming.

Positions Of Responsibility

- Team Lead – Team SparkX, UDBHAV 2K26 Hackathon;** coordinated a cross-functional team to build and present the project
- Senior Under Officer (SUO), NCC – Jawahar Navodaya Vidyalaya (Highest Cadet rank in NCC)**
- School People Leader (SPL) – Jawahar Navodaya Vidyalaya,** managed a school-wide event
